Last Compost Day

Monday, November 2,
2020 

The sidewalk upgrade for 4th Ave SW & 1st Ave NW has been completed. We want to thank Carman Bobcat & Excavating for the job well done!

The Public Works and EF Moon Construction have been working very efficiently on the water main upgrades throughout the town. The remaining water mains are expected to be completed by the end of October 2020. We want to thank all residents for their patience throughout the periods of interrupted water usage as well as the closed streets throughout this process.

Carman-Dufferin Fire Department

Emergency preparedness
starts with *you.*

www.GetPrepared.ca

You should be prepared to take care of yourself and your family for a minimum of 72 hours. If disaster happens in your community, it may take emergency workers some time to get to you as they help those in desperate need.

Know the risks! Make a plan! Prepare a Kit!

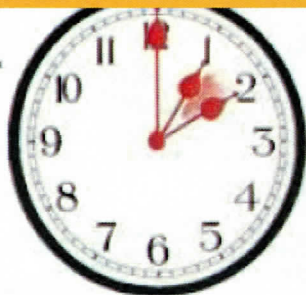

SERVE UP
Fire Safety
IN THE KITCHEN!

Did you know cooking is the No. 1 cause of home fires and home fire injuries?
Fire Prevention Week™ is Oct. 4-10.

The Planning District

A building permit is required for the construction of any new projects over 120 square feet. This includes, but is not limited to new homes, garages, house additions, decks and sheds. A permit is also required for any building renovations with structural changes or a value over \$20,000. This includes residential or commercial buildings.

We are excited to announce that Kim MacLellan is our new coordinator for Planning services!

For any building related questions, please contact Kim MacLellan at: 204-745-2443 or planning@townofcarman.com

A HUGE Thank You

to **Vanderveen Greenhouses Ltd.** for your generous donation of plants and the work in planting the hanging flower baskets and Main Street flower boxes that beautify our community. The flowers are exceptional again this year and we always receive so many compliments on them!

We would also like to thank you personally for helping us to maintain the flowers throughout the season. Your dedication to your industry and community is appreciated.

*Thank you!
Council, Staff, Citizens and Visitors
Of the Town of Carman*

2020 Eco Summer Winners

The Town of Carman held another successful Eco Summer Event. Staff members collected used oil, filters, antifreeze and containers throughout the summer. Every person that recycled this material over the summer was entered into draw for a jug of Rain-Dx or Shop Towels. Congratulations to the following winners:

Rollie Fortier
Wayne Aune
Case Vanderpol
Dale Penner
Ron Dueck
Trevor Young
Zack Reimer
Blake Phillips
Curtis Plaitin

Congratulations!

Winter Is Coming...

Winter is just around the corner, and we would just like to remind residents, the Town of Carman strives to plow and sand all the roads in a timely manner; however, we do follow a priority sequence when plowing.

The first priority is given to Police, Fire, and Emergency vehicles. We also ensure that the "on-call" Doctor is able to get to the hospital if there is an emergency.

The downtown is next, usually completed before businesses open in the morning.

Once this is complete, the crews move to the residential areas, starting with the avenues and moving to the streets next. Roads are cleared and driveways are opened. This is done on a rotating basis so that no particular area is always first. Finally, back lanes will be cleaned.

Driveways

Remember when shoveling your driveway, to pile the snow to the side of the yard and not onto the street.

Sidewalks and Walkways

As per By-law 19/2035, business owners are expected to clear the full width of the sidewalk down to bare concrete in front of their business

Please be patient, they will get to your street as soon as possible.

Snow Removal and Parking

We would like to remind you that vehicles parked on the street must be moved during and as soon as possible after a snowfall to ensure efficient snow removal by Town crews.

Your cooperation is greatly appreciated.

8:00 - 17:30

MON - FRI

SEPT - JUNE

By-law 19/2041

**Remember that school is now in session!
Please watch out for children crossing the road and slowdown in school zones.**

Reduced speed in school zones are between the hours of 8:00 a.m. to 5:30 p.m. during the months of September to June!

Carman – Dufferin Recreation

Carman Dufferin Pool

With a later start to the season, Carman-Dufferin Pool was able to install a new pool liner for many more years of swimming for our community!

During this unprecedented year, the pool season ran very smoothly. Swimming lessons and programs had very limited numbers but were a success! Thank you to the pool and maintenance staff for all your hard work this season!

Thank you to everyone for your patience and understanding the rules and regulations of Covid-19 to keep our community safe!
